Memorandum

To: The Honorable Yemassee Town Council

From: Matthew E Garnes, Town Clerk

CC: William Hancock, Town Auditor

Date: July 16, 2020

Subject: Recommended FY21 Budget

Another year is winding down in the Town of Yemassee and its difficult to look back and think of how life is different now while amidst a global pandemic. The Town has remained operational the duration of the pandemic with a slight adjustment to our operating posture and continued to address projects as directed by the Town Council. One of my statutory duties is to prepare for your consideration an annual operating budget for the Town of Yemassee. Attached, please find the recommended budget for the 2021 Budget year beginning September 1, 2020 and ending on August 31, 2021. The general fund budget is balanced and totals \$1,601,836.60 The value of a mil in the Beaufort County portion of the Town of Yemassee is \$560 and the value of a mil in the Hampton County portion of the Town of Yemassee is \$2,377 with a L.O.S.T. Credit Factor of .001075

As presented, the budget does not propose a millage increase for either county and based off the most complete information we have to date. This budget proposal is lean as we remain cautiously optimistic during the COVID-19 pandemic. Accordingly, no staff positions were added, and some projects were placed on hold until the pandemic ends.

Following this memo, you will find revenues and expenditures, year to date expenses as well as the increase or decrease on each line. The Town is legally permitted to raise millage by 1.81% and by 2.47% in Hampton County.

I have met over the past several months with department heads to hear their concerns and desires for the next budget year and am pleased to present to you, the proposed budget for the 2021 Fiscal Year.

AN ORDINANCE OF THE TOWN OF YEMASSEE ORDINANCE NO. 20-13 FISCAL YEAR 2021 BUDGET
