## Yemassee Recreation Committee

APRIL 18, 2023

---

5:30 PM

---

MEETING CALLED TO ORDER BY

Stacy Pinckney

---

### IN ATTENDANCE

Stacy Pinckney, Reginald Brown, Howard Peeples, Tania Peeples

### APPROVAL OF MINUTES

There were no meeting minutes for approval.

### BOARD

Reginald Brown was nominated as Chairman, Howard Peeples was nominated as Co-Chairman, Tania Peeples was nominated as secretary.

### NEW BUSINESS

- Committee discussed that they would need to change the format of committee meetings to include planning sessions because recreation activities require a great amount of planning and committee can not plan just once a month, and these planning sessions do not need to be advertised as meetings. Stacy agreed to bring this matter before council.
- Discussion about potential recreational activities to include paint classes, basketball games, summer camps and field day. Tania Peeples stated to Stacy Pinckney that a sign is needed for basketball court to inform public times and dates when court will be used by rec department for programs.
- Tania Peeples noted that the committee would like to offer recommendations to council as to how grant money should be used at basketball court. Stacy Pinckney stated that she would speak to council, but she believes that Steve Henson and Zone D had already decided how this money would be spent. Tania Peeples then asked that committee at least be informed of intentions.
- Open house was discussed and a tentative date of May 24<sup>th</sup> at 6:30 pm was set. Food options were discussed, and committee decided that town administrator would be able to use donated funds for refreshments at open house. Committee discussed creating invitations for local businesses and citizens to be formally invited to attend. Tania Peeples agreed to create these, and committee members will distribute them.
- 

### NEXT MEETING

Open House May 24, 2023, 6:30 pm Yemassee Court Room
