

Community Development Block Grant (CDBG)

Program Year: April 1 – March 31

The SC CDBG Program is designed to provide assistance to units of local government in improving economic opportunities and meeting community revitalization needs, particularly for persons of low and moderate income (LMI). The CDBG Community Development Program Opportunities chart describes the program categories, types of projects, funds available, and deadlines. Projects from across the state compete for funding. Citizens may make suggestions to the locality to be considered in the planning process. Early each year, a Needs Assessment Public Hearing is held in each locality to determine the needs of the community. These funds are not available for non-profit organizations. Other regulations apply.
